**Re: Kingston Hydro Corporation Distribution Rates 2016-2020 (EB-2015-0083) -
Settlement Proposal**

Dear Ms. Walli,

On November 3, 2015, Kingston Hydro filed its Settlement Proposal with the OEB. The Sustainable Infrastructure Alliance of Ontario (the "SIA") did not participate in the settlement process and is not a signing party to the Settlement Proposal. However, having reviewed the terms of the proposed settlement, the SIA would like to inform the OEB and all parties that it supports the Settlement Proposal as agreed to by fellow intervenors and Kingston Hydro. The SIA notes in particular that the agreement allows Kingston Hydro to undertake its entire capital plan and the majority of its spending plan, while also enhancing ratepayer protection. The SIA believes that the proposal, if accepted by the OEB, would produce a reasonable outcome for both Kingston Hydro and Kingston Hydro's ratepayers.

Sincerely,
