Dear Ms. Walli:

**Re: Hearst Power Distribution Company Limited
Application for Rates
Board File Number EB-2014-0080**

On October 16, 2015, the OEB issued Procedural Order No. 3 in the above noted matter in which it ordered parties to file a settlement proposal on or before November 26, 2015. The parties have been working diligently on the proposed settlement agreement however require a few additional days to complete the document. As such, the parties respectfully request an extension to the filing date to December 3, 2015 to provide sufficient time to appropriately document the outcome of the Settlement Conference and to update all required supporting models.

Yours truly,
