**Re: EB-2015-0079**

Dear Ms. Walli,

We are writing to request intervenor status in the above application on behalf of the Federation of Ontario Cottagers' Associations (FOCA).

FOCA is an incorporated non-profit organization that represents over 500 waterfront property owners' groups, with over 50,000 member families. For over 50 years, FOCA has spoken on behalf of, and supported, Ontario's 250,000 waterfront property owners. The vast majority of our members are customers directly implicated by the rate increase proposed in EB-2015-0079 by Hydro One Networks.

As intervenors FOCA is also seeking recovery of reasonable costs incurred, including travel and legal counsel, where and when required and appropriate.

FOCA's representatives for hearings or conferences related to this file include Mr. Ian White, and myself. Notices may be provided to the address listed below.

Regards,

Terry Rees, Executive Director
