Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: EB-2014-0099
North Bay Distribution Ltd. (NBHDL)
DRO Comments**

Pursuant to the Decision and Order of the Board, dated November 12, 2015, NBHDL notes that the Tariff of Rates and Charges (Appendix "A" of the Draft Rate Order) currently states "Effective and Implementation Date July 1, 2015"; this could be revised to state "Effective Date of July 1, 2015, Implementation Date of December 1, 2015", or revised otherwise if the OEB deems appropriate.

Yours truly,
