Dear Ms. Walli:

**Re: EB-2015-0065 – Enersource Hydro Mississauga Inc.  
Response to Vulnerable Energy Consumers Coalition (VECC) Late Notice of Intervention**

We are in receipt of the correspondence of Enersource of November 30, 2015.

We would note that VECC has intervened in a number of Enersource applications over the past decade and its participation has been adjudged responsible and of assistance to the Board in the determination of the issues therein. These proceedings have included:

EB 2013-0124  
EB 2010-0078  
EB 2009-0193  
EB2007-0706  
EB 2005-0360

If our inadvertence in late filing can be resolved in the manner suggested, we would respectfully suggest that we are prepared to make a responsible contribution to this proceeding, much as we have done in other Enersource distribution applications, marshalling a team with over 85 cumulative years of experience in energy regulation matters.

Once again, we apologize for our late filing of our intervention.

Yours truly,

Michael Janigan  
Counsel for VECC
