Dear Ms. Walli:

**Re: Hearst Power Distribution Company Limited
Application for Rates
Board File Number EB-2014-0080**

On October 16, 2015, the OEB issued Procedural Order No. 3 in the above noted matter in which it ordered parties to file a settlement proposal on or before November 26, 2015. On November 25, the parties requested, and the Board granted, an extension of the filing date to December 3, 2015. Although the parties have been working diligently on the settlement proposal, further effort is required to complete the documentation. As such, while the parties do take timelines established by the OEB seriously, the parties respectfully request a further extension of the filing date to December 14, 2015.

Yours truly,
