TCQ Energy Probe.1

Ref: 2-Staff-6 & Energy Probe-2 & Energy Probe-4 & 2-Staff-11

Please update Tables 4, 8 and 9 in the original evidence, along with Attachment H to reflect the following:

- i) that no true-up amount is required for the Cardiff TS (2-Staff-6),**
- ii) the payment of \$40.479 million to Hydro One for the Churchill Meadows TS true-up (Energy Probe-4),**
- iii) the exclusion of the costs associated with any projects shown in Appendix A to 2-Staff-11 that have an in-service date after 2016, and**
- iv) an inflation rate of 2.1% (Energy Probe-2).**

TCQ EP.2

Ref: Energy Probe-4

Please confirm that the payment to HONI was made by the end of 2015.

TCQ EP.3

Ref: Energy Probe-6 & 2-Staff-11

- a) The response to Energy Probe-6, which refers to the response to 2-Staff-11 is not complete. The Energy Probe interrogatory requested a live Excel spreadsheet. Please provide a live Excel spreadsheet of the information provided in Appendix A of 2-Staff-11.**
- b) A number of line items in Appendix A of 2-Staff-11 have no entry under the column "Mandatory?". Please explain what this means for these line items. Please also explain why these line items do not have any figures in the columns related to customer focus, operational effectiveness, financial performance, rankings and score.**

- c) **There are a number of projects shown in Appendix A to the response to 2-Staff-11 that indicate in-service dates beyond 2016. Have the capital expenditures associated with these projects been included in the incremental capital calculation and the subsequent incremental revenue requirement? If so, please explain why they are included when they will not be closed to rate base in 2016.**
