The granting of this licence would enable the applicant to retail electricity in Ontario to large volume consumers only.

The application will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the Act. The OEB does not intend to provide for an award of costs when deciding the application.

### **Oral vs. Written Hearings**

There are two types of OEB hearings – oral and written. The OEB intends to proceed with this application by way of a written hearing. If the applicant wishes to respond to the submission(s), such response must be filed with the OEB and copied to any party who made a submission by **January 21, 2016**.

All written submissions sent to the OEB will be placed on the public record, which means that the written submissions will be available for viewing at the OEB's offices and will be placed on the OEB's website. If the written submission is from a private citizen then, before placing the written submission on the public record, the OEB will remove any personal (i.e., not business) contact information from the written submission (e.g., the address, phone number, and e-mail address of the individual). However, the name of the individual and the content of the written submission will become part of the public record.
