Re: Enersource Hydro Mississauga Inc. 2016 Price Cap IR Application  
Enersource Technical Conference  
Board File No. EB-2015-0065

Dear Ms. Walli:

Attached please find AMPCO's questions for the Technical Conference on January 8, 2016 with specific data and information requests.

Please be advised that AMPCO has additional clarifying questions related to AMPCO-2, AMPCO-4, AMPCO-5, AMPCO-15, Supp-Staff-11 and Energy Probe-5. AMPCO may also have additional follow-up questions on issues identified by others.

Please do not hesitate to contact me if you have any questions or require further information.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Adam White". The signature is stylized with a large, sweeping 'A' and a long horizontal stroke extending to the right.

AMPCO seeks to understand the scope of Enersource's historical Asset Condition Assessment (ACA) information.

- Part (b) - AMPCO requested information on ACA's undertaken prior to 2013, i.e. prior to Kinectrics 2013 ACA Report dated July 14, 2014 . The response indicates a copy of the ACA Review is attached. Did Enersource/Kinectrics undertake a 2012 ACA analysis or earlier? Please provide a copy of each earlier ACA report.
- Please explain why Figure 3 Health Index Results Summary in the evidence on page 30 of the Manager's Summary is different from Figure 1 on page 3 of 2-Staff-4. Please provide the reference for each Figure and the applicable year for each Figure.
- Which data set was used as the basis for the 2016 Capital Plan?
