Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

Re: Union Gas Ltd. - Request to Correct Decision and Order (EB-2015-0230)

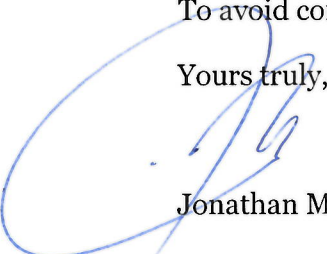

We are counsel to Union Gas Limited ("Union"). On December 3, 2015 the Ontario Energy Board (the "Board") issued a Decision and Order approving Union's application under Section 99 of the *Ontario Energy Board Act, 1998* for authority to expropriate certain interests in land for the purposes of a natural gas pipeline.

In the Decision and Order, the "Introduction and Summary" section describes the dimensions of the requested easements as "(i) a permanent easement over an area of 0.97 hectares (342 x 28 metres) and (ii) temporary easements over two areas, 0.17 hectares (83 x 20 metres) and 0.34 hectares (342 x 10 metres)." This description is consistent with the Applicant's October 14, 2015 response to Board Staff Interrogatory 1(a), as reiterated in Board Staff's Submission.

The "Introduction and Summary" section of the Decision and Order goes on to say that the OEB grants to Union the authority to expropriate the interests in land as described in Schedule "A" of the Decision and Order. However, Schedule "A" incorrectly describes the dimensions of the easement areas as being 342 x 10 m in respect of the permanent easement area (where it should be 342 x 28 m) and 52 x 10 m in respect of the second of the temporary easement areas (where it should be 342 x 10 m).

To avoid confusion, we request that the Board correct and re-issue the Decision and Order.

Yours truly,

Jonathan Myers
