Ontario Energy Board

By e-mail and RESS

Dear Ms. Walli:

Re: EB-2015-0276 Union Gas 2014 DSM account clearances - GEC Intervention

1. The Green Energy Coalition (GEC) hereby seeks intervenor status in this matter and requests that it be found eligible for costs.
2. The GEC is comprised of the Greenpeace Canada, Pembina Institute, and Sierra Club of Canada. All of the GEC's member groups are charitable or non-profit organizations active on environmental and energy policy matters.
3. GEC is an active participant in DSM regulatory matters before the Board and its nominee, Mr. Kai Millyard sat on the audit committee that reviewed the company's proposal and oversaw the audit. GEC supports the company's application and at this time its intervention is to enable it to monitor the proceeding while preserving its opportunity to participate actively if the application is opposed by other parties or new concerns arise.
