Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge Street, Suite 2700  
Toronto, Ontario, M4P 1E4

Dear Ms Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge" and / or the "Company")  
2016 Rate Adjustment Application ("Application")  
Ontario Energy Board ("Board") File Number EB-2015-0114  
Comments on Cost Claims**

---

For the above noted proceeding, Enbridge has reviewed the cost claims received from the following:

- Association of Power Producers of Ontario (APPrO)
- Building Owners and Managers Association Toronto (BOMA)
- Canadian Manufacturers & Exporters (CME)
- Consumers Council of Canada (CCC)
- Energy Probe
- Federation of Rental Housing Providers of Ontario (FRPO)
- Industrial Gas Users Association (IGUA)
- School Energy Coalition (SEC)
- Vulnerable Energy Consumers Coalition (VECC)

The Company has no objection to the cost claims. In reviewing the cost claim submissions, the Company notes that IGUA's cost claim submission has hours claimed for preparation related to argument. Upon further review, we believe that these hours are for the review of the Company's application and evidence as well as for the preparation and submission of IGUA's intervenor request to the Board.

The Company awaits the recommendations and / or cost awards of the Board with respect to the above mentioned cost claims.

Please contact me if you have any questions.

Sincerely,

(Original Signed)

Nick Verma  
Regulatory Program Manager
