Dear Ms. Walli:

**Board File No. EB-2015-0237 Ontario Energy Board Consultation
Natural Gas Market Review and Stakeholder Conference
Energy Probe – Notice of Interest in Participation**

Pursuant to the Notice from the Board on November 25, 2015, outlining the consultation process by which the Board will review Distributor Gas Supply Planning, Energy Probe Research Foundation (Energy Probe) is hereby providing its Notice of Interest in Participation in the EB-2015-0237 proceeding for the Board's consideration.

Energy Probe requests that Dr. Roger Higgin and David MacIntosh be included in the January 21, 2016 Stakeholder Forum. Contact data is included in the Notice of Interest in Participation.

Energy Probe apologizes for the timing of its request to participate. Although included in the distribution list of the November 25, 2015 Notice from the Board, Energy Probe missed the reply date specified. Energy Probe took part in the 2014 NGMR and its Comments were well received.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
