**Re: Regional Planning and Cost Allocation Review, Co-operating Participation Request
Board File No.: EB-2016-0003**

Co-operating Participation: E.L.K. Energy Inc., Essex Powerlines Corporation, Entegrus Powerlines Inc.

Dear Ms. Walli,

On January 7, 2016, the Board issued a letter initiating the above-noted policy consultation.

E.L.K. Energy Inc., Essex Powerlines Corporation and Entegrus Powerlines Inc. have formed a coalition (E3 Coalition) to pursue common interest in this consultation and hereby notify the Board of the intent to jointly participate. The E3 Coalition does not seek cost recovery eligibility.

In addition, each of the E3 Coalition members has further sought individual participation status in the policy consultation by way of separate participation letters, as each intends to also maintain separate participation status in such case as separate submissions are warranted.

Yours truly,
