Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

Re: EnWin Utilities Ltd. – Plans for Filing Cost of Service Application

We are counsel to EnWin Utilities Ltd. ("EnWin"). EnWin filed an Annual IR Index application for 2016 rates on October 19, 2015 (EB-2015-0066) and, for 2017 rates, EnWin again plans to file using the Annual IR Index methodology. Given the Board's December 29, 2015 letter to all distributors, in which the Board is seeking to address the imbalance between the number of cost of service applications as between 2017 and 2018, EnWin thought it would be helpful to advise the Board that EnWin anticipates filing a cost of service application for rates to be effective May 1, 2018.

Yours truly,

Jonathan Myers
