## Decision and Order

Comsatec Inc. filed a complete application on December 4, 2015 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for an Electricity Retailer Licence for large volume consumers only. The licence would allow the applicant to retail electricity or act as an agent to retail electricity only to large volume consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on December 15, 2015. The Notice provided time for submissions on the application evidence, as well responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue an Electricity Retailer Licence for large volume consumers only to Comsatec Inc.

### IT IS ORDERED THAT:

1. The application for an electricity retailer licence for large volume consumers only is granted, on such conditions as are contained in the attached licence.
