Dear Mr. DeRose:

**Re: Intervention Request of Union Gas Limited
Request for Greenhouse Gas Emissions Impact Deferral Account
OEB File Number EB-2015-0367**

The Notice for this proceeding required that requests for intervention status be filed by January 25, 2016.

On January 28, 2016, Canadian Manufacturers & Exporters (CME) filed an intervention request. The OEB approves CME as an intervenor in this proceeding. The OEB has also determined that CME is eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*.

In granting the intervention request, the OEB requires CME to adhere to the case schedule outlined in Procedural Order No. 1. The OEB also requires CME to accept the record as it currently stands.

Yours truly,
