Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

Re: Union Gas Ltd. - Application for Authority to Expropriate (EB-2015-0230) - Request for Endorsement of Expropriation Plans

We are counsel to Union Gas Limited ("Union"), applicant in the above-referenced proceeding. On December 3, 2015 the Ontario Energy Board (the "Board") approved Union's application under Section 99 of the *Ontario Energy Board Act, 1998* for authority to expropriate certain interests in land for the purposes of constructing, operating and maintaining a natural gas pipeline in the Town of Milton, Regional Municipality of Halton.

In its Decision and Order, the Board ordered Union to file a final expropriation plan for Board approval and endorsement as soon as practical. Union provided final plans on January 5, 2016. Board staff advised that the plan needs to be revised to reflect the date of the corrected and re-issued Decision and Order, rather than the date of the originally-issued Decision and Order.

As such, please find enclosed Union's final expropriation plan with the corrected date. We request that the Board approve and endorse each of the enclosed 2 mylars and 6 copies of the expropriation plan and return the 2 mylars plus 3 copies to me by courier at the address above as soon as practical. We understand that the Board normally retains the remaining 3 copies. This will enable Union to continue the expropriation process by registering the plan of expropriation on title.

Yours truly,

Per: 

Jonathan Myers
