**Re: EB-2016-0003 Regional Planning and Cost Allocation Review
Withdrawal of The Society of Energy Professionals' Intervention Request**

Dear Ms. Walli,

In my letter to you of January 20, 2016, I had requested that The Society of Energy Professionals be granted intervenor status in the subject proceeding. In a subsequent review of the details of this particular proceeding, The Society has decided to withdraw its request for intervenor status.

This being the case, could you please delete me from the list of those who will receive information and documentation regarding this consultation, along with the following individuals who were put forward by The Society to look after its interests:

Vicki Power powerv@thesociety.ca

Bohdan Dumka Bohdan.Dumka@gmail.com

Thank you.
