Dear Ms Walli:

**Re: Orillia Power Distribution Corporation
2016 IRM Rate Application - EB-2015-0024**

On February 4, 2016, the Board issued its Draft Decision and Rate Order in the above noted proceeding. Orillia Power Distribution Corporation ("Orillia Power") finds no issues with the findings of the Board in this application. Only one correction is noted, in Section 1 Introduction and Summary, Orillia Power serves about 13,400 customers.

Orillia Power confirms the results of the rate model provided with the Decision and has reviewed the draft Tariff of Rates and Charges schedules attached to the Decision as Schedule A. Orillia Power finds the Tariff of Rates and Charges to be complete and accurate.

Sincerely,

Pauline Welsh
