Dear Ms. Walli :

**Re: EB-2015-0057 Cambridge and North Dumfries Hydro Inc.
Comments on Draft Rate Order
2016 Electricity Distribution Rate Application**

Energy+ Inc. has received and reviewed the draft Decision and Rate order for Cambridge and North Dumfries Hydro ("CND") and provides the following comment:

- a) The Large Use Service Classification Rate Rider for Disposition of Global Adjustment Account (2016) applicable only for Non-RPP Customers is "0.0000", therefore Energy+ Inc. recommends that it be removed from the Tariff of Rates and Charges.

If you require any additional information or clarification, please contact the undersigned at (519) 621-8405 ext. 2340

Yours truly,

Energy+ Inc.
