**Attention: Board Secretary**

**RE: EB-2016-0004 Natural Gas Expansion to Unserved Communities**

**REQUEST FOR INTERVENOR STATUS FOR UTILITIES KINGSTON**

Thank you for the Board's provision of the Notice of Hearing published February 5, 2016.

As the natural gas distributor for the City of Kingston, we appreciate the benefits that natural gas can bring to a community. In reviewing the draft issues list contained in the Procedural Order No. 1, we recognize that certain issues may have impact on our provision of natural gas service to our community. As such, in accordance with the Procedural Order, we respectfully request intervenor status for the proceeding. Our level of involvement will be determined by the final issues list and development of those issues in the proceeding. If our request is granted, we would request that all correspondence in this proceeding would be direct to:
