Dear Mr. Mondrow:

**Re: Intervention Request of Industrial Gas Users Association  
Union Gas Limited Clearance of 2014 Demand Side Management Deferral  
and Variance Accounts  
OEB File Number EB-2015-0276**

On February 18, 2016, the Industrial Gas Users Association (IGUA) filed a late intervention request. The Notice for this proceeding required that requests for intervention status be filed by January 14, 2016.

The OEB approves IGUA as an intervenor in this proceeding. The OEB has also determined that IGUA is eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*.

In granting the intervention request, the OEB requires IGUA to adhere to the case schedule outlined in Procedural Order No. 1 and to accept the case record as it currently stands.

Yours truly,
