Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Board File No. EB-2016-0004
Parkland Fuel Corporation (“Parkland”) Request for Extension**

We are legal counsel to Parkland. On March 3, 2016, the Board granted an extension to the filing deadline for evidence in this proceeding to the Municipalities of Kincardine, Arran-Elderslie and the Township of Huron-Kinloss (“Southern Bruce”) as well as to the Ontario Geothermal Association (“OGA”). The filing deadline for all other parties was unchanged. Parkland submits that extending the filing deadline for some parties and not others is unfair and unreasonable. This extension will provide Southern Bruce and the OGA with the opportunity to review the evidence of other parties and respond to that evidence in their submissions. This seriously prejudices parties like Parkland who are not afforded the same opportunity. For these reasons, Parkland requests that the Board provide all parties with an extension to the deadline for filing evidence until the later of either: (a) March 9, 2016 (the Southern Bruce deadline); or (b) the date for filing the OGA’s evidence.

Yours truly,

Richard King
