Dear Ms. Walli:

**Re: Ottawa River Power Corporation (“ORPC”)  
Board File No. EB-2014-0105  
Settlement Proposal Delay**

We are counsel to ORPC in the above captioned matter. Pursuant to Procedural Order No. 1, the Board ordered that any settlement proposal arising from the settlement conference shall be filed with the OEB by February 24, 2016. The OEB subsequently granted an extension for filing the proposal until March 2, 2016.

We are writing to inform the Board that the parties continue to work diligently towards a possible settlement. However, the parties have encountered an unanticipated barrier to reaching a final settlement that will take the parties additional time to address.

ORPC respectfully requests a further extension to the filing deadline. The parties will continue to work diligently through the remaining issues, and its implications on the balance of the settlement, to finalize any possible settlement for next week. ORPC will exercise best efforts to file any settlement proposal arising from the settlement conference on or before March 18, 2016.

Yours very truly,

**BORDEN LADNER GERVAIS LLP**
