Dear Ms. Reffle:

**Re: Correction to Final Rate Order
Whitby Hydro Electric Corporation
Application for 2016 Distribution Rates
OEB File Numbers: EB-2015-0113 and EB-2015-0251**

Whitby Hydro Electric Corporation's current Tariff of Rates and Charges was issued on December 30, 2015. The Tariff of Rates and Charges contained a typographical error. Today, the OEB is reissuing the Tariff of Rates and Charges, with a typographical error corrected.

Specifically, the wording "Approved on an Interim Basis" has been added to the rate rider for Account 1576. It now reads as follows (with emphasis to indicate the added language):

Rate Rider for Disposition of Account 1576 - effective until December 31, 2016 - **Approved on an Interim Basis**

Pursuant to Rule 43.02 of the *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct typographical errors, errors of calculation or similar errors made in its orders or decisions. Given that the OEB ordered the disposition of account 1576 on an interim basis in its decision on the above-noted applications (the "Decision"), the OEB considers the omission of the words "Approved on an Interim Basis" in the Tariff of Rates and Charges to be an administrative oversight that should be corrected at this time. The Decision and the Tariff of Rates and Charges are not otherwise changed in any way.

Yours truly,
