UNIFIED ENERGY SERVICES LLC

**Application for an Electricity Retailer Licence for Large Volume
Consumers Only**

BY DELEGATION,

March 17, 2016

Decision and Order

Unified Energy Services LLC filed an application on January 12, 2016 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for an Electricity Retailer Licence for large volume consumers. The licence would allow the applicant to retail electricity to large volume consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on February 3, 2016. The Notice provided time for submissions on the application evidence, as well responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue an Electricity Retailer Licence for large volume consumers to Unified Energy Services LLC.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence for large volume consumers only is granted, on such conditions as are contained in the attached licence.
