### **Attn: Kirsten Walli, Board Secretary**

Dear Ms. Walli:

### **Re: EB-2015-0089 – Milton Hydro – Scheduling**

We are counsel for the School Energy Coalition. We have reviewed the letter from counsel for the Applicant, and support in principle the request for rescheduling. In our view, rescheduling to allow the Applicant to provide the additional information will make the hearing more efficient, and make the oral evidence more helpful to the panel in making its decision.

That having been said, we note that March 30<sup>th</sup> is scheduled for the Enbridge Stakeholder Conference in the North Hearing Room, and March 31<sup>st</sup> is tentatively scheduled for the Ottawa River oral hearing. While each of those is probably only half a day, there is the potential for conflict. The following week appears to have more available dates.

All of which is respectfully submitted.

Yours very truly,  
**JAY SHEPHERD P. C.**
