Toronto, Ontario M4P 1E4

Dear Ms. Walli,

RE: Board File No. EB-2015-0363 - Consultation to Develop a Regulatory Framework for Natural Gas Distributors' Cap and Trade Compliance Plans

Veresen Energy Infrastructure Inc., on behalf of London Cogeneration Facility (Electricity Generation Licence EG-2007-0775), York Energy Centre LP Facility (Electricity Generation Licence EG-2009-0242) and East Windsor Cogeneration Centre (Electricity Generation Licence EG-2007-0603) submits this request to participate in Ontario Energy Board's EB-2015-0363 consultation.

As Veresen owns natural-gas fired generation facilities in Ontario, this consultation will have a direct impact on Veresen.

Veresen does not intend to seek an award of costs for its participation in this proceeding.

Please direct all communications in this proceeding to the following individuals:
