Kirstin Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

Re: Consultation to Develop a Regulatory Framework for Natural Gas for Natural Gas Distributors' Cap and Trade Compliance Plans (EB-2015-0363)

TransAlta wishes to be a participant in the above-noted consultation. TransAlta owns gas-fired generation connected to both the Union Gas and Enbridge Distribution systems. TransAlta will be materially impacted by the proposed changes, and plans to be an active participant in the proceeding.

Please direct all correspondence related to this consultation to:
