ENERGY PROFILES LIMITED

Application for an Agent Only Electricity Retailer Licence for Large
Volume Consumers Only

BY DELEGATION,

March 24, 2016

Decision and Order

Energy Profiles Limited filed an application on February 1, 2016 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for an Agent Only Electricity Retailer Licence for large volume consumers only. The licence would allow the applicant to act as an agent or broker to retail electricity to large volume consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on February 17, 2016. The Notice provided time for submissions on the application evidence, as well as responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue an Agent Only Electricity Retailer Licence for large volume consumers to Energy Profiles Limited.

IT IS ORDERED THAT:

1. The application for an agent only electricity retailer licence for large volume consumers only is granted, on such conditions as are contained in the attached licence.
