Dear Ms. Walli :

**Re: EB-2015-0054 Brant County Power Inc.  
Comments on Draft Tariff of Rates and Charges  
2016 Electricity Distribution Rate Application**

Energy+ Inc. has received and reviewed the Tariff of Rates and charges set out in Schedule A of the March 17, 2016 Decision and Rate Order for Brant County Power Inc. ("BCP") and provides the following comment:

- a) The General Service Less Than 50kW Service Classification and the Unmetered Scattered Load Service Classification Rate Riders for Application of Tax Change (2016) are "0.0000", therefore Energy+ Inc. recommends that these be removed from the Tariff of Rates and Charges.

If you require any additional information or clarification, please contact the undersigned at (519) 621-8405 ext. 2340

Yours truly,

**Energy+ Inc.**
