**Re: OEB File No. EB-2015-0089
Milton Hydro Distribution Inc. ED-2003-0014
Information Request for Oral Hearing**

Milton Hydro is filing its responses to Information Requests for the Oral Hearing requested by the School Energy Coalition ("SEC") and Energy Probe ("EP") through the OEB RESS portal.

Milton Hydro would note that additional time is required to respond to SEC's Request #2 in regards to the revenue requirement relating to occupancy for the test year, and for the last prior year without the new building. Milton Hydro will file this response separately on March 29, 2016.

The live Excel model relating to EP's Request #2 has also been filed through the RESS.

Two hard copies of the responses will follow by courier under separate cover.

Yours truly,
