Dear Mr. Chisholm:

**Re: Correction to Rate Order  
Greater Sudbury Hydro Inc.  
Application for Rates - OEB File Number EB-2015-0071**

The OEB issued a Decision and Rate Order in the above-noted proceeding on March 17, 2016. In the tariff of rates and charges, the item "Rate Rider for Disposition of Global Adjustment Account (2016)" for all applicable rate classes contained only a partial description of the rate rider due to an error in the page layout.

Today, the OEB is reissuing the Rate Order, with the error corrected. The correction expands the description of the "Rate Rider for Disposition of Global Adjustment Account (2016)" for all applicable rate classes to include the full description of the rate rider.

Pursuant to Rule 41.02 of the *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. The OEB considers this error to be typographical. The Rate Order is not otherwise changed in any way.

Yours truly,
