Dear Mr. Chisholm:

**Re: Correction to Rate Order
Greater Sudbury Hydro Inc.
Application for Rates - OEB File Number EB-2015-0071**

The OEB issued a Decision and Rate Order in the above-noted proceeding on March 17, 2016. On March 28, 2016, the OEB re-issued the tariff of rates and charges to correct an error in the page layout. The March 28, 2016 tariff failed to include the Ontario Electricity Support Program charge for the Sentinel Lighting rate class.

Today, the OEB is reissuing the Rate Order, with the error corrected. Pursuant to Rule 41.02 of the *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. The OEB considers this error to be typographical. The Rate Order is not otherwise changed in any way.

Yours truly,
