

ONTARIO GEOTHERMAL ASSOCIATION INTERROGATORIES

ON EVIDENCE OF EPCOR (CRA)

Ontario Energy Board Community Expansion Proceeding

EB-2016-0004

1. [p. 4] Please advise whether Mr. Yatchew agrees that subsidies for natural gas expansion are inconsistent with the government's cap and trade approach to carbon reduction, as subsidies skew the price signals and make it more difficult for "individuals, firms and markets to determine the most cost effective ways to reduce their dependence on fossil fuels."
