**Re: Independent Electricity System Operator  
2016 Expenditure and Revenue Requirement Submission  
Ontario Energy Board File No.: EB-2015-0275**

---

The Independent Electricity System Operator ("IESO") seeks to have the issuance of Ontario Energy Board's ("Board" or "OEB") Procedural Order No. 1 in the IESO's 2016 Revenue Requirement Submission delayed as the IESO will be filing updated evidence that is relevant to the application and for the Board's decision making process. The IESO will file the updated evidence by May 9, 2016 and will provide a draft schedule at that time. Based on a May 9<sup>th</sup> filing, the IESO proposes the draft schedule as shown below:

- Board staff and intervenors shall request any information and material from the IESO that is in addition to the IESO's pre-filed evidence with the Board, and that is relevant to the hearing, by written interrogatories filed with the Board and served to the IESO on or before Friday, May 27, 2016.
- The IESO shall file with the Board complete written responses to the interrogatories and serve them on intervenor(s) on or before Friday, June 17, 2016.
- A Settlement Conference will be held at 2300 Yonge Street, Toronto on the 25th floor commencing Thursday, June 23, 2016 from 9:30 a.m. to 5:00 p.m. and continuing, if necessary, on Friday, June 24, 2016 at 9:30 a.m.
- Any Settlement Proposal arising from the Settlement Conference shall be filed with the Board no later than 4:45 p.m. on Friday, July 5, 2016.

Yours truly,

Nancy Marconi  
Senior Manager, Regulatory Affairs
