

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Sched. B, as amended;

**AND IN THE MATTER OF** an application made pursuant to section 86(2)(b) of the *Ontario Energy Board Act, 1998* by Hydro One Inc. for leave to purchase all issued and outstanding voting securities of Great Lakes Power Transmission Inc.

**NOTICE OF INTERVENTION  
OF THE  
SCHOOL ENERGY COALITION**

1. The School Energy Coalition (“SEC”) applies for intervenor status in this proceeding.
2. SEC is a frequent intervenor in Board proceedings. Our current Annual Filing can be found on the Board’s website, here:  
  
<http://www.rds.ontarioenergyboard.ca/webdrawer/webdrawer.dll/webdrawer/rec/462191/view/>
3. SEC intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

**Issues to be Addressed**

4. SEC’s intended participation will focus on the following issues:
  - a. The impact of the proposed purchase on ratepayers, in both the short and long term, including application of the “no harm” test;
  - b. The proposed rate rebasing deferral period and earning sharing mechanism;
  - c. The proposed methodology to calculate Great Lakes Power Transmission 2019 revenue requirement and for each subsequent year during the rate rebasing deferral period;
  - d. Relationship between these applications and the planned Great Lakes Power Transmission and Hydro One Networks Inc. individual transmission cost of service rate applications for 2017;
  - e. All other aspects of the relief requested; and
  - f. Generally to represent the interests of school boards and their students in this process.

**The Intervenor's Intended Participation**

5. SEC intends to participate in any pre-hearing procedures, including interrogatories or technical conferences, and settlement conferences. SEC also intends to participate in any oral hearing of this matter, and in written or oral submissions, as well as any other parts of the process that the Board should order.

**Nature of Hearing Requested**

6. Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.

**Counsel/Representative**

7. SEC requests that a copy of all documents filed with the Board by each party to this proceeding be served on the intervenor, and on the intervenor's counsel, as follows:
