Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2015-0089 – Milton 2016 Rates – Dates for Argument

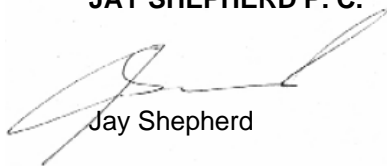

We are counsel for the School Energy Coalition. This letter is sent to request a revision to the schedule for final argument, with the consent of all of the parties.

At the oral hearing on this matter, the parties worked out a revised schedule for final argument, based on an assumption that the undertakings from the oral hearing would be filed on Friday, April 8th. OEB Staff and intervenors would then file argument on April 15th, one week later, and the Applicants would file their reply a week after that, on April 22nd. The Board approved that revised schedule.

Despite their best efforts, the Applicants were not able to file their undertaking responses until today, April 12th. The parties have once more discussed the schedule, and wish to jointly propose to the Board that the date for OEB Staff and intervenor argument be extended to April 19th, and the date for reply be extended to April 26th. These dates retain the same time frames as the previous schedule, adjusted for the new undertaking response date. SEC has been asked by the parties to write on their behalf, requesting this change.

All of which is respectfully submitted.

Yours very truly,
JAY SHEPHERD P. C.
