(3) (a) Each of VHI, MEC, BHHI, EC, HUC and SCH shall have a period of 30 days from the date it receives a Closing Balance Sheet and the report of the applicable auditors thereon in which to review and object to the same. For the purpose of such review, each of VHI, MEC, BHHI, EC, HUC, SCH and their respective authorized Representatives shall be given access by the other applicable Parties, upon every reasonable request, to examine the working papers, schedules and other documentation used or prepared by applicable auditors, subject to execution and delivery by VHI, MEC, BHHI, EC, HUC, SCH and their respective authorized Representatives, as applicable, of any agreement or other documentation, including any confidentiality agreement, release, waiver or indemnity, that the applicable auditors, if any, require prior to providing such access. If no written objection to a Closing Balance Sheet is given to the Corporation by any of VHI, MEC, BHHI, EC, HUC or SCH within such 30-day period, such Closing Balance Sheet shall be deemed to have been approved as of the last day of such 30-day period.

(b) If any of VHI, MEC, BHHI, EC, HUC and SCH objects to a Closing Balance Sheet within such 30-day period by giving written notice to the Corporation setting out in reasonable detail the nature of such objection, VHI, MEC, BHHI, EC, HUC and SCH agree to attempt to resolve the matters in dispute within 15 days from the date the objecting Party gives such notice to the Corporation. If all matters in the dispute are resolved by VHI, MEC, BHHI, EC, HUC and SCH, the Closing Balance Sheet shall be modified to the extent required to give effect to such resolution and shall be deemed to have been approved as of the date of such resolution.

(c) If VHI, MEC, BHHI, EC, HUC and SCH cannot resolve all matters in dispute within such 15-day period, all unresolved matters shall be submitted to Grant Thornton LLP (the "**Expert**") for resolution (subject to the Expert being cleared in advance of any and all conflicts, failing which a new Expert mutually acceptable to VHI, MEC, BHHI, EC, HUC and SCH shall be appointed), and the Expert shall be given access to all materials and information reasonably requested by it for such purpose. The rules and procedures to be followed in connection therewith shall be determined by the Expert in its discretion. The Expert's determination of all such matters shall be final and binding on all Parties and shall not be subject to appeal by any Party. The fees and expenses of the Expert shall be borne by the Corporation. The Closing Balance Sheet shall be modified to the extent required to give effect to the Expert's determination and shall be deemed to have been approved as of the date of such determination.

(4) Upon the approval or deemed approval pursuant to this section 2.3 of the Closing Balance Sheet, the Corporation shall calculate, in accordance with the example of the foregoing calculations set forth in Schedule 2.3, in respect of each of PHI, excluding the Solar Projects as set out in the Solar Financial Statements, HHI and EHI, the sum of:

(a) the Closing Working Capital less the Agreed Percentage of Working Capital Allowance Basis (which difference may be positive or negative), plus

(b) Agreed Percentage of (i) the total of a) the Net Operating Assets as at the Closing Date plus b) its Deemed Working Capital Allowance, less (ii) the Closing Total Debt (which difference may be positive or negative); plus

(c) the Net Other Assets settled on a Net Relative Basis; less

(d) the applicable Party's unfulfilled equity financing obligations in respect of the Brampton Purchase Agreement required pursuant to any credit agreement entered into pursuant to the financing commitment letter attached to this Agreement as Schedule 5.4(15),

(the said sums being each herein referred to collectively as the "**PowerStream Adjustment Amount**", the "**Enersource Adjustment Amount**" and the "**Horizon Adjustment Amount**", as applicable).

(5) Immediately following the determination of the PowerStream Adjustment Amount, the Enersource Adjustment Amount and the Horizon Adjustment Amount, each of VHI, MEC, BHHI, EC, HUC and SCH shall, to the extent that the applicable adjustment amount is:

The redemption amount payable to each of VHI, MEC, BHHI, EC, HUC and SCH upon such redemption shall be its pro-rata share of the PowerStream Adjustment Amount, the Enersource Adjustment Amount or the Horizon Adjustment Amount, as applicable, to be calculated and paid out in accordance with the redemption terms attached to such special shares, as set out in the Corporation Amalgamation Agreement; or

(b) negative, the applicable underfunded Shareholder shall make a contribution of capital to the Corporation in respect of the Common Shares held by such underfunded shareholder by wire transfer of immediately available funds to the Corporation in the amount by which such adjustment amount is negative within thirty (30) calendar days of such determination.

In the circumstance where the PowerStream Adjustment Amount, the Enersource Adjustment Amount or the Horizon Adjustment Amount are positive values, the

redemption amount payable to each of VHI, MEC, BHHI, EC, HUC and SCH upon such redemption shall be its pro-rata share of the PowerStream Adjustment Amount, the Enersource Adjustment Amount or the Horizon Adjustment Amount, as applicable, to be calculated and paid out in accordance with the redemption terms attached to such special shares, as set out in the Corporation Amalgamation Agreement.

If the payment of any redemption amount payable to a particular Shareholder under section 2.3(5)(a) would result in a breach of covenant under the Corporation's financing arrangements by such Shareholder, such payment shall not be paid but will be held in abeyance until such time that it can be paid. Any and all redemptions payable pursuant to this section 2.3(5) shall have priority over the payment of dividends on any of the Corporation's shares.

(7) Each Indemnifying Party hereby respectively appoints VHI, MEC, BHHI, EC, HUC and SCH, as applicable, as trustee for its respective Indemnified Parties that are not party to this Agreement of the covenants of such Indemnifying Party in this Article 7 and each of VHI, MEC, BHHI, EC, HUC and SCH, as applicable, respectively agrees to accept such trust and to hold and enforce such covenants on behalf of the applicable Indemnified Party.

7.2 Thresholds and Limits

(1) Notwithstanding section 7.1, the applicable Indemnifying Party's obligation to indemnify the applicable Indemnified Party pursuant to section 7.1 shall be applicable only if the

aggregate of all those Losses incurred by the applicable Indemnified Party, is in excess of $750,000 (the "**Threshold**"). If the aggregate of all those Losses incurred by the applicable Indemnified Party exceeds the Threshold, the applicable Indemnifying Party shall be obliged to indemnify the applicable Indemnified Party for all of those Losses, including the amount of the Threshold.

(2) The provisions of section 7.2(1) shall not apply in respect of any inaccuracy or breach or a representation or warranty or of any covenants or agreements contained in this Agreement which involve fraud, gross negligence or fraudulent misrepresentation.

(3) Notwithstanding sections 7.1, 7.2(1) and 7.2(5), the applicable Indemnifying Party's obligation to indemnify the applicable Indemnified Party pursuant to section 7.1(1)(c) or section 7.1(3)(c) or section 7.1(5)(c), as applicable, shall correspond to the amount of the Losses owing by such applicable Indemnifying Party under the Brampton Purchase Agreement for such vendor claim under the Brampton Purchase Agreement.

(4) Notwithstanding sections 7.1 and 7.2(1), the applicable Indemnifying Party's obligation to indemnify the applicable Indemnified Party pursuant to section 7.1 with respect to environmental matters (including the representations and warranties in Appendix "A" sections 2(17) and 2(29)(b)) shall be applicable only if the aggregate of all those Losses incurred by the applicable Indemnified Party is in excess of $500,000 (the "**Environmental Threshold**"). If the aggregate of all those Losses incurred by the applicable Indemnified Party exceeds the Environmental Threshold, the applicable Indemnifying Party shall be obliged to indemnify the applicable Indemnified Party for all of those Losses, including the amount of the Environmental Threshold.

(5) The maximum aggregate liability of the applicable Indemnifying Party's obligation to indemnify the applicable Indemnified Parties for Losses pursuant to section 7.1 shall not exceed, in the aggregate, 15% of:

(a) where the applicable Indemnifying Party is a Shareholder, the quotient of a ratio where the numerator is the number of common shares of any class issued to the applicable Indemnifying Party pursuant to section 2.1, as adjusted pursuant to section 2.1(3), if applicable, and the denominator is the total number of all common shares of all classes issued pursuant to section 2.1 (the "**Shareholder Quotient**"), or

(b) where the applicable Indemnifying Party is a shareholder of a Shareholder, the Shareholder Quotient that would be applicable if such Shareholder was the Indemnifying Party multiplied by the applicable Indemnifying Party's proportionate interest in the issued and outstanding shares of such Shareholder,

multiplied by the aggregate "Enterprise Value (Regulated & Non-Regulated)" of PowerStream, Enersource Hydro and Horizon, as applicable, set forth on page 12 of the Valuation, provided that in no case shall there be any maximum aggregate liability in respect of any inaccuracy or breach of a representation or warranty or

of any covenants or agreements contained in this Agreement which involve fraud, gross negligence or fraudulent misrepresentation.

7.3 Obligation to Reimburse

The applicable Indemnifying Party shall reimburse to the applicable Indemnified Party the amount of any Losses suffered or incurred by the applicable Indemnified Party, as of the date that the Indemnified Party incurs any such Losses, together with interest thereon from that date until payment in full, at the rate per annum equal to the prime lending rate of the Toronto-Dominion Bank, main Toronto Branch, from time to time plus 2%, that payment being made without prejudice to the Indemnifying Party's right to contest the basis of the Indemnified Party's Claim for indemnification.

7.4 Notice of Claim

(1) Promptly on becoming aware of any circumstances which have given or could give rise to a Claim of indemnification under this Article 7, the Indemnified Party shall notify the Indemnifying Party of those circumstances. That notice shall specify whether the Losses arise as a result of a Claim by a Person against the applicable Indemnified Party (a "**Third Party Claim**") or whether the Losses do not so arise (a "**Direct Claim**"), and shall also specify with reasonable particularity (to the extent the information is available) the factual basis for the Claim and the amount of the Losses, if known.

(2) If through the fault of the applicable Indemnified Party, the applicable Indemnifying Party does not receive notice of any Claim in time to contest effectively the determination of any liability susceptible of being contested, in addition to any rights it may have under section 9.3, the applicable Indemnifying Party shall be entitled to set off against the amount claimed by the applicable Indemnified Party the amount of any Losses incurred by the applicable Indemnifying Party resulting from the applicable Indemnified Party's failure to give that notice on a timely basis.

7.5 Direct Claims

With respect to any Direct Claim, following receipt of notice from the applicable Indemnified Party of the Direct Claim, the applicable Indemnifying Party shall have 60 days to make such investigation of the Direct Claim as is considered necessary or desirable. For the purpose of that investigation, the applicable Indemnified Party shall make available to the applicable Indemnifying Party the information relied on by the applicable Indemnified Party to substantiate the Direct Claim, together with such information as the applicable Indemnifying Party may reasonably request. If the Parties agree at or prior to the expiry of this 60 day period (or agree to any extension of this period) to the validity and amount of that Direct Claim, the applicable Indemnifying Party shall immediately pay to the applicable Indemnified Party the full amount as agreed to by such Parties of the Direct Claim, failing which the matter shall be referred to binding arbitration in accordance with section 9.2.

7.6 Third Party Claims

(1) With respect to any Third Party Claim, the applicable Indemnifying Party shall be entitled (but not required), at its expense, to participate in or assume the conduct of the negotiations, settlement or defence of the Third Party Claim and, in that event, the applicable Indemnifying Party shall reimburse the applicable Indemnified Party for all of the applicable Indemnified Party's out-of-pocket expenses as a result of that participation or assumption.

(2) If the applicable Indemnifying Party elects to assume the conduct of the negotiations, settlement or defence of the Third Party Claim, the applicable Indemnifying Party shall be entitled to retain counsel on behalf of the applicable Indemnified Party who is acceptable to the applicable Indemnified Party, acting reasonably, to represent the applicable Indemnified Party of that Third Party Claim. In any Third Party Claim for which the applicable Indemnifying Party elects to assume that conduct, the applicable Indemnified Party shall have the right to participate in the negotiation, settlement or defence of that Third Party Claim and to retain separate counsel to act on its behalf but the fees and disbursements of that counsel shall be at the expense of the applicable Indemnified Party unless:

(a) the applicable Indemnified Party determines, acting reasonably, that actual or potential conflicts of interest exist which make representation chosen by the applicable Indemnifying Party not advisable (such as where the named parties to that Third Party Claim include both the applicable Indemnifying Party and the applicable Indemnified Party, and the defences available to the applicable Indemnified Party are different or in addition to those available to the applicable Indemnifying Party); or

(b) the applicable Indemnifying Party has authorized the retention of that counsel.

(3) If the applicable Indemnifying Party, having elected to assume that conduct, thereafter fails to defend the Third Party Claim within a reasonable time, the applicable Indemnified Party shall be entitled to assume that conduct, and the applicable Indemnifying Party shall be bound by the results obtained by the applicable Indemnified Party with respect to that Third Party Claim. If any Third Party Claim is of a nature such that the applicable Indemnified Party is required by Applicable Law to make a payment to any Person (a "**Third Party**") with respect to the Third Party Claim before the completion of settlement negotiations or related legal proceedings, the applicable Indemnified Party shall provide prior written notice of that payment to the applicable Indemnifying Party and thereafter may make that payment and the applicable Indemnifying Party shall, forthwith after demand by the applicable Indemnified Party, reimburse the applicable Indemnified Party for that payment. If the amount of any liability of the applicable Indemnified Party under the Third Party Claim in respect of which that payment was made, as finally determined, is less than the amount that was paid by the applicable Indemnifying Party to the applicable Indemnified Party, the applicable Indemnified Party shall, forthwith after receipt of the difference from the Third Party, pay the amount of that difference to the applicable Indemnifying Party.

7.7 Settlement of Third Party Claims

If the applicable Indemnifying Party fails to assume conduct of the defence of any Third Party Claim, the applicable Indemnified Party shall have the exclusive right to contest, settle or pay the amount claimed. Whether or not the applicable Indemnifying Party assumes conduct of the negotiation, settlement or defence of any Third Party Claim, the applicable Indemnifying Party shall not settle any Third Party Claim without the written consent of the applicable Indemnified Party, which consent cannot be unreasonably withheld or delayed, except that the liability of the applicable Indemnifying Party shall be limited to the proposed amount if any such consent is not obtained for any reason and the applicable Indemnified Party shall indemnify and save harmless the applicable Indemnifying Party from and against any Losses resulting from or arising out of the failure of the applicable Indemnified Party to consent to that settlement.

7.8 Co-Operation

The Indemnified Party and the Indemnifying Party shall co-operate fully with each other with respect to Third Party Claims, and shall keep each other fully advised with respect to that Third Party Claim (including supplying copies of all relevant documentation promptly as it becomes available). Where the defence of a Third Party Claim is being undertaken and conducted by the Indemnifying Party, the Indemnified Party shall use all reasonable efforts to make available to the Indemnifying Party, at the request and expense of the Indemnifying Party, those employees of the Indemnified Party whose assistance, testimony or presence is reasonably necessary to assist the Indemnifying Party in evaluating and defending that Third Party Claim.

7.9 Duty to Mitigate and Right to Recover

(1) Nothing in this Agreement in any way restricts or limits the obligation under Applicable Law of an Indemnified Party to mitigate any loss which it may suffer or incur by reason of any breach by an Indemnifying Party of any representation, warranty, covenant or obligation of the Indemnifying Party under this Agreement.

(2) Before an Indemnified Party seeks recovery from an Indemnifying Party under this Article 7 for any or all Losses for a Claim, the Indemnified Party shall notify the Corporation of such Claim and the board of directors of the Corporation shall determine, acting reasonably, if any amounts with respect to such Losses are recoverable by the Indemnified Party (i) under insurance policies, indemnities, reimbursement arrangements or similar contracts or (ii) through a Z-factor application to the OEB. If the Corporation determines that there is a reasonable likelihood of recovery of such Losses under (i) and/or (ii), the Corporation on behalf of such Indemnified Party shall make commercially reasonable efforts to recover such Losses under (i) and/or (ii) prior to the Indemnified Party seeking recovery from an Indemnifying Party for such Losses under this Article 7. The amount of any and all Losses under this Article 7 is to be determined net of any amounts recovered or recoverable by the Indemnified Party under (i) and (ii).

7.10 Gross-up

If an Indemnified Party is subject to Taxes in respect of the receipt of an amount pursuant to this Agreement or this Article 7, after taking into account any offsetting deduction or tax credit available in respect of the applicable Losses, then the amount payable by the Indemnifying Party shall be increased by an amount (the "**Increased Amount**") such that the Indemnified Party shall be in the same position after paying Tax on the amount received hereunder, including all Taxes payable on the Increased Amount, as the Indemnified Party would have been in had the losses giving rise to such payment not arisen and had such amount not been payable.

7.11 Exclusivity

Unless otherwise provided in this Agreement, the provisions of this Article 7 shall apply to any Claim for breach of covenants, representation, warranty or other obligation or provision of this Agreement or any contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement (other than a Claim for specific performance or injunctive relief) and to any and all other indemnities provided in this Agreement or in any contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement with the intent that all such Claims and indemnities shall be brought only in accordance with the specific provisions of this Article 7.

ARTICLE 8
TERMINATION

8.1 Termination

(1) In the event that the vendor thereunder has terminated the Brampton Purchase Agreement, and only in such event, then this Agreement may be terminated at any time prior to the Closing Date by any of VHI, MEC, BHHI, EC, SCH or HUC.

(2) In addition to the provisions of Article 6, this Agreement may be terminated by any of VHI, MEC, BHHI, EC, SCH or HUC, if:

(a) an injunction, order, judgment or decree permanently restraining, enjoining or otherwise prohibiting the Holdings Amalgamation or the Merge Co LDC Amalgamation or the completion of the transactions under the Brampton Purchase Agreement or the consummation of the other transactions contemplated under this Agreement shall have been issued by a Governmental Authority, and such injunction, order, judgment or decree shall have become final and non-appealable;

(b) any Applicable Law shall have been enacted by a Governmental Authority which, directly or indirectly, prohibits the Holdings Amalgamation or the Merge Co LDC Amalgamation or the completion of the transactions under the Brampton Purchase Agreement or the consummation of the other transactions contemplated hereby;

(c) the Closing contemplated by this Agreement shall have not occurred on or before the first anniversary of the date hereof; provided, however, that the right to terminate this Agreement under this section 8.1(2)(c) shall not be available to any

Party if the failure to fulfil any obligation under this Agreement by such Party has been the cause of, or resulted in, the failure of the Closing to occur on or before such date.

(3) This Agreement may be terminated by VHI, MEC or BHHI in the event of an occurrence of a Material Adverse Effect in respect of EHI (and until such time as EHI is formed and the transfer of shares held by EC in Enersource Hydro and Enersource Services to EHI occurs, EC) or HHI.

(4) This Agreement may be terminated by EC in the event of the occurrence or a Material Adverse Effect in respect of PHI or HHI.

(5) This Agreement may be terminated by HUC or SCH in the event of an occurrence of a Material Adverse Effect in respect of PHI or EHI (and until such time as EHI is formed and the transfer of shares held by EC in Enersource Hydro and Enersource Services to EHI occurs, EC).

8.2 Procedure and Effect of Termination

In the event of termination of this Agreement pursuant to any provision of this Article 8, written notice thereof shall forthwith be given by the terminating Party to the other Parties, whereupon, with the exception of sections 5.4(3), 5.4(4), 9.4 and 9.5 and, subject to the next sentence, the obligations of the Parties under this Agreement shall be terminated. A Party may promptly submit a Direct Claim, to be resolved in accordance with Article 7, if applicable, against one or more of the other Parties for damages suffered by that Party where the termination of this Agreement is as a result of a violation or breach of, or non-performance of or non-compliance with, a covenant or agreement or a representation and warranty of one or more of the other Parties.

Notwithstanding the foregoing, any notice or other communication required or permitted to be given by any Party pursuant to or in connection with any arbitration procedures contained in this Agreement or in any Schedule to this Agreement may only be delivered by hand. 9.2 Arbitration Procedures

(1) All disputes, disagreements, controversies, questions or claims between any of Vaughan, VHI, Markham, MEC, Barrie, BHHI, BPC, Mississauga, EC, Hamilton, HUC, St. Catharines or SCH arising out of or relating to this Agreement, including with respect to its formation, execution, validity, application, interpretation, performance, breach, termination or enforcement, disputes over the validity or the amount of any Claim made pursuant to Article 7, and disputes over a Material Adverse Effect (collectively, "**Disputes**") shall be determined in accordance with Schedule 9.2, which sets out the sole and exclusive procedure for the resolution of Disputes. 9.3 Survival of Representations and Warranties, Covenants and Obligations

(1) The representations and warranties given or made by any Party in this Agreement or in any certificate or other writing furnished in connection with this Agreement shall survive the Closing for a period of 18 months after the Closing Date and shall thereafter terminate and be of no further force or effect, except that (i) all representations and warranties relating to Taxes shall survive the Closing for six (6) months after the expiry of the applicable statutory limitation periods including any extensions or waivers thereof, (ii) all representations and warranties with respect to environmental matters shall survive the Closing for a period of five (5) years after the Closing Date, (iii) any Claim relating to the representations and warranties in Appendix "A" sections 1(1), 1(2), 1(3), 1(4), 1(5), 2(2) and 2(3), or based on fraud or intentional misrepresentation, may be brought at any time; and (iv) any representation and warranty as to which a Claim (including a contingent Claim) shall have been asserted during the survival period shall continue in effect with respect to such Claim until such Claim shall have been finally resolved or settled. Each Party shall be entitled to rely upon the representations and warranties of the other Parties set forth in this Agreement, notwithstanding any investigation or audit conducted before or after the Closing Date or the decision of any Party to complete the Closing;

(2) the covenants and obligations of the Parties set forth in this Agreement, including the indemnification obligations under Article 7, shall survive the Closing indefinitely, unless such covenants and obligations by their terms expire on or before the Closing, and each

Party shall be entitled to the full performance thereof by the other Parties without limitation as to time or amount (except as otherwise specifically set forth in this Agreement); and

(3) subject to sections 9.3(1) and 9.3(2), all of the provisions upon which a Claim is made under this Agreement shall survive until such Claim has been disposed of in accordance with this Agreement.

9.4 Brokerage Fees and Commissions

Except as disclosed in writing to the other Parties, each Party represents and warrants to the other Parties that no broker, finder or other Person is entitled to any brokerage fees, commissions or finder's fees in connection with the transactions contemplated by this Agreement by reason of any action taken by the Party making such representation, and shall pay to the other or otherwise discharge, and will indemnify and hold the other harmless from and against, any and all Claims or liabilities for all brokerage fees, commissions and finder's fees incurred by reason or any action taken by the Indemnifying Party.

9.5 Expenses

Except to the extent specifically provided in this Agreement, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby, including the cost of legal, technical and financial advisers and consultants and the cost of filing for and obtaining the required Consents, Approvals and Waivers, shall be borne by the Party incurring such costs and expenses, provided that:

(1) the out-of-pocket costs (which shall include legal fees and disbursements only to the extent the same relate to the preparation for and participation at public hearings and/or court or tribunal matters) of obtaining the Competition Act Approval shall be borne by each of PowerStream, Enersource Hydro and Horizon on a one-third each basis;

(3) the out-of-pocket costs of the Valuation shall be borne by each of PowerStream, Enersource Hydro and Horizon on a one-third each basis.

9.6 No Personal Liability Re: Certificates

All certificates delivered by a city clerk or by a corporate officer or director, in accordance with this Agreement, shall be delivered in such official capacity without personal liability to any such individual.

9.7 Entire Agreement and Paramountcy

This Agreement, the Non-Disclosure Agreement and the Brampton Purchase Agreement, constitute the entire agreement between the Parties pertaining to the subject matter hereof and supersede all prior negotiations, understandings and agreements between the Parties, written or oral, in respect thereof, including the Letter of Intent. In the event of a conflict between the provisions of this Agreement, on the one hand, and the provisions of the Non-Disclosure Agreement and the Brampton Purchase Agreement, on the other hand, the provisions of this Agreement shall govern.

9.8 Further Assurances

Each Party hereby covenants and agrees that at any time and from time to time after the Closing Date it will, upon the request of the other Parties, or anyone of them, do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered all such further acts, deeds, assignments, transfers, conveyances and assurances as may be reasonably required for the better carrying out and performance of all the terms of this Agreement.

Any single or partial exercise by any Party hereto of any right or remedy for default or breach of any term, covenant or condition of this Agreement does not waive, alter, affect or prejudice any other right or remedy to which such Party may be lawfully entitled for the same default or breach.

9.10 Waiver, Amendment

No modification of or amendment to this Agreement shall be valid or binding unless set forth in writing and duly executed by the Party or Parties to be bound thereby. No waiver of any provision of this Agreement shall be effective or binding unless made in writing and signed by the Party purporting to give the same and, unless otherwise provided, no such waiver shall constitute a waiver of any other provision of this Agreement nor constitute a continuing waiver, or operate as a waiver of, or estoppel with respect to, any subsequent failure to comply.

9.11 Counterparts

(a) This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original and all of which taken together will be deemed to constitute one and the same agreement.

(b) Any and all new Parties to this agreement shall execute a counterpart signature page to this Agreement confirming their agreement to be bound by this Agreement as a Party in accordance with the provisions hereof.

9.12 Governing Law

This Agreement shall be governed by and construed in accordance with the laws of Ontario and the laws of Canada applicable therein.

9.13 Time of Essence

Time shall be of the essence hereof.

9.14 Severability

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. In respect of any provision so determined to be unenforceable or invalid, the Parties agree to negotiate in good faith to replace the unenforceable or invalid provision with a new provision that is enforceable and valid in order to give effect to the business intent of the original provision to the extent permitted by law and in accordance with the intent of this Agreement.

9.15 No Partnership

Nothing contained in this Agreement nor any acts of the Parties hereunder shall be deemed to constitute any Party as a partner of any other Party.

9.16 Assignment

The rights of the Parties hereunder shall not be assignable.

9.17 Successors and Assigns

This Agreement shall be binding upon and enure to the benefit of the Parties hereto and their respective successors. Nothing herein, express or implied, is intended to confer upon any Person, other than the Parties hereto and their respective successors, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

DISPUTE RESOLUTION PROCEDURES

Arbitration

1. Any Dispute between the Parties, as contemplated by Section 9.2 shall be subject to arbitration pursuant to the *Arbitrations Act, 1991* (Ontario) and as provided in this Schedule and the decision of the arbitral tribunal shall be final and binding as between the Parties and shall not be subject to appeal.

2. Any arbitration to be carried out under Section 9.2 shall be subject to the following provisions, namely:

   (a) The Party desiring arbitration shall nominate one arbitrator and shall notify the other Parties hereto of such nomination. Such notice shall set forth a brief description of the matter submitted for arbitration (and, if appropriate, the paragraph of the Agreement pursuant to which such matter is so submitted). Such other Party who is affected by the Dispute shall, within thirty (30) days after receiving such notice, nominate an arbitrator and such arbitrator shall select an additional person as an arbitrator and as chairman of the arbitral tribunal to act jointly with them. If said arbitrators shall be unable to agree on the selection of such chairman, the chairman shall be appointed by the ADR Institute of Canada Inc., acting solely as an appointing authority, upon the application of any Party.

   (b) The arbitration shall take place in the City of Toronto, Ontario and shall be conducted in the English language. The chairman shall fix the time and place for the purpose of hearing such evidence and representations as the Parties to the Dispute may present and, subject to the provisions hereof, the decisions of the arbitrators and chairman or of any majority of them in writing shall be binding upon all the Parties to the Dispute both in respect of procedure and the conduct of the Parties to the Dispute during the arbitration proceedings and the final determination of the issues therein. Said arbitrators and chairman shall, after hearing any evidence and representations that the Parties to the Dispute may submit, make their decision and reduce the same to writing and deliver one copy thereof to each of the Parties to the Agreement. The majority of the chairman and arbitrators may determine any matters of procedure for the arbitration not specified herein. If there is an equal number of arbitrators the chairman shall have a casting vote in all instances.

   (c) If the Party receiving the notice of the nomination of an arbitrator by the Party desiring arbitration fails within the said thirty (30) days to nominate an arbitrator, then the arbitrator nominated by the Party initiating arbitration may proceed to determine the Dispute in such manner and at such time as he or she shall think fit and his or her decision shall, subject to the provisions hereof, be binding upon all Parties to the Dispute.

(d) Notwithstanding the foregoing (but subject to subsection (e)) if there are more than two Parties who are affected by the Dispute who wish to nominate an arbitrator (including the Party initiating the arbitration), unless each of the Parties to the Dispute otherwise agrees within thirty (30) days after receiving the notice referred to in 2(a), the arbitration shall be carried out by a single arbitrator appointed by the ADR Institute of Canada Inc., acting solely as an appointing authority, upon application by any Party.

(e) Notwithstanding the foregoing, the arbitration may be carried out by a single arbitrator if all of the Parties to the Dispute so agree, in which event the provisions of this paragraph shall apply, *mutatis mutandis*.

(f) The cost of the arbitration shall be borne by the Parties to the Dispute as may be determined by the arbitrators.

(g) Insofar as it does not conflict with the provisions of this Schedule, the *Arbitrations Act, 1991* (Ontario) shall be applicable to arbitration held under this Schedule and the arbitrators shall have jurisdiction to do all acts and make such orders as provided in such Act.

3. Submission to arbitration pursuant to the provisions of this Schedule and the obtaining of the decision of the arbitration tribunal on the matters and claims subject to the Dispute shall be a condition precedent to the bringing of any action at law or suit in equity with respect to this Agreement.

4. For certainty, the failure or refusal of a director to give his or her approval to any matter or proposal coming before the Board, as well as the failure or refusal of a Shareholder to give its approval to any matter or proposal requiring its approval under the Agreement or under the *Business Corporations Act*, shall not be the subject-matter of arbitration under Section 9.2; except to the extent a director or Shareholder is required not to unreasonably withhold or delay its consent and it is alleged that such director or Shareholder has failed to do so.

5. The Parties agree that the arbitration will be kept confidential and that the existence of the proceeding and any element of it (including any pleadings, briefs or other documents submitted or exchanged, any testimony or other oral submissions and any awards) will not be disclosed beyond the arbitrator or arbitration tribunal, the Parties, their counsel and any Person necessary to the conduct of the proceeding, except as may lawfully be required in judicial proceedings relating to the arbitration, the Parties' regulatory filings or otherwise as may be required by Law.
