Board Secretary  
Ontario Energy Board  
2300 Yonge Street, 27<sup>th</sup> Floor  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge" or the "Company")  
EB-2008-0150 - Low Income Energy Assistance Program ("LEAP")  
EFA Program Review**

---

Enbridge has reviewed the cost claims received from the following:

- Low Income Energy Network ("LIEN")
- Vulnerable Energy Consumers Coalition ("VECC")

Although the Company has no overall objection to the Intervenor Cost Claims we have noted the following items in our review:

- LIEN's cost claim for Ms. Jennifer Lopinski did not claim time for attending the August 12, 2014 Financial Assistance Working Group's meeting on the EFA Program;
- LIEN's cost claim recorded the meal disbursement at \$20 where the receipt indicates \$25; and
- VECC's cost claim for parking and taxi disbursements included 13% HST in the Net Costs column (page 8 of the pdf) and VECC's reduced HST of 3.94% was calculated on that net cost.

The Company awaits the recommendations and or cost awards of the Board with respect to these cost claims.

Enbridge reserves the right to make submissions regarding any outstanding intervenor cost submissions which are subsequently received.

Yours truly,
