Dear Mr. Mondrow:

**Re: Enbridge Gas Distribution Inc. (Enbridge)
Tariff for Rate 332 Transportation Service
IGUA Late Intervention Request
Board File Number: EB-2016-0028**

The Notice for this proceeding required that requests for intervenor status be filed by April 14, 2016.

On April 20, 2016, the Industrial Gas Users Association (IGUA) filed a late intervention request. The OEB approves IGUA as an intervenor in this proceeding. The OEB has also determined that IGUA is eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*.

In granting the late intervention request, the OEB requires IGUA to adhere to the case schedule outlined in Procedural Order No. 1. The OEB also requires IGUA to accept the record as it currently stands.

Yours truly,
