Ontario Energy Board
Kirsten Walli
Board Secretary
2700-2300 Yonge Street
Toronto, ON M4P 1E4

Dear Ms. Walli:

Re: EB-2016-0004 Direct and Cross Examination Timing

We are counsel to Anwaatin Inc. (**Anwaatin**) and Mocrebec Eeyoud (**Mocrebec**). The following sets out Anwaatin and Mocrebec's time estimates for the hearing in EB-2016-0004 in accordance with the Board's direction of Tuesday, April 26, 2016.

Direct Evidence

Direct evidence will be provided by Dr. Don Richardson, Managing Partner, Shared Value Solutions Ltd., and Larry Sault, former Chief of the Mississaugas of the New Credit First Nation and Grand Chief in Ontario, and current President and Chief Executive Officer of Anwaatin. The *curriculum vitae* of each witness will be provided by further communication. We estimate that direct evidence will take approximately 25 minutes. Dr. Richardson is available on May 5, 9 and 11. We are still attempting to canvass Mr. Sault's availability, but in the event that he is unavailable will proceed solely with Dr. Richardson.

Cross Examination

Anwaatin and Mocrebec intend to cross examine the following parties on the understanding that these estimates are subject to change as a result of other parties' cross examinations (and in an attempt to avoid any duplication):

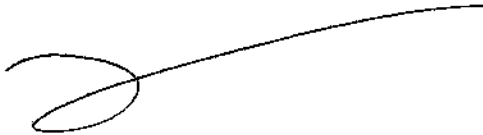

- Union (30 minutes);
- EPCOR (10-20 minutes);
- the South Bruce Municipalities (10-20 minutes);
- the Ontario Geothermal Association (25 minutes);
- the Canadian Propane Association (10 minutes);

- Parkland Fuels Corp. (10 minutes); and
- the Vulnerable Energy Consumers Coalition (20 minutes).

Anwaatin and Mocreebec reserve their rights to cross examine all other parties, should issues related to Anwaatin or Mocreebec arise.

Please do not hesitate to contact us should you have any questions.

Yours very truly,
