File No. T1007912

Dear Ms. Walli:

Re: EB-2015-0276 – Union Gas Limited (Union) Application for 2014 Demand Side Management Clearance of Variance Accounts.

Appendix N – 2014 Verification of Large Custom Projects Report – IGUA Interrogatories.

Further to Procedural Order No. 3 herein, we are refilling the attached interrogatories on Exhibit B, Tab 1, Appendix N (the Diamond Report). These interrogatories were initially filed with the Board on a confidential basis with our letter dated March 7, 2016 (the letter itself having been filed on the public record).

On March 11, 2016, Union publicly filed a version of the Diamond Report which has fewer redactions than the version of the report which Union had initially publicly filed with the balance of its application. In its *Decision and Procedural Order No. 3* (April 27, 2016) herein the Hearing Panel accepted the revised redacted version as appropriate.

Review of our initial interrogatories posed on behalf of IGUA in respect of the Diamond Report against the revised redacted version accepted by the Hearing Panel indicates the need for one redaction to our interrogatory number 16 on the report (being a passage from the Diamond Report that is reproduced in both the pre-amble to the interrogatory and in part c. of the interrogatory). Accordingly, a redacted version of our Diamond Report interrogatories, redacted in order to conform with the revised redacted version of the Diamond Report as accepted by the Board, is publicly filed with this letter. As noted above, the full (unredacted) version of our interrogatories was previously filed with the Board in

confidence in accord with the Board's *Practice Direction on Confidential Filings* (October 13, 2011).

Yours truly,

Ian Mondrow
