**Re: Motion to Review and Vary Decision EB-2013-0416/EB-2014-0247
(Carriers' Motion for Supplementary Responses to Undertakings)
OEB File Number: EB-2015-0141**

This is in response to the Carriers' letter to the Ontario Energy Board (OEB) dated May 13, 2016 in which they request an order requiring any party that intends to make a submission on the Carriers' motion for supplementary responses to undertakings to provide a summary of their arguments in advance of the May 19, 2016 oral hearing.

The OEB declines to issue the order requested by the Carriers. The Carriers have not persuaded the OEB that there is any reason to compel the other parties to provide advance notice of their arguments. Of course those other parties are free to do so if they would like.

Yours truly,
