Dear Ms. Walli:

EB-2016-0013 – Union Gas Ltd. Application to Construct a Pipeline in the Municipality of Leamington – Hydro One Networks Request for Further Time to Assess Land Issues

Hydro One is writing to advise the Board that despite best commercial efforts, Hydro One has not had an opportunity to complete a thorough review of the AC Mitigation Study (“the Report”) that was filed with all parties on Thursday, May 19, 2016. Consequently, Hydro One is requesting an amendment to Procedural Order 5 to allow the parties an additional week, Friday, June 3, 2016, to discuss the details of the Report before reporting back to the Board.

A copy of this letter has been filed in text-searchable electronic form through the Ontario Energy Board's Regulatory Electronic Submission System.

Sincerely,
