Dear Mr. Brett:

**Re: Union Gas Limited (Union)
Disposition of 2015 Deferral Account Balances and 2015 Utility Earnings
Board File Number: EB-2016-0118**

The Notice for this proceeding required that requests for intervenor status be filed by May 16, 2016.

On May 25, 2016, the Building Owners and Managers Association Toronto (BOMA) filed a late intervention request. The OEB approves BOMA as an intervenor in this proceeding. The OEB has also determined that BOMA is eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*.

In granting the late intervention request, the OEB requires BOMA to adhere to the case schedule outlined in Procedural Order No. 1. The OEB also requires BOMA to accept the record as it currently stands.

Yours truly,
