Dear Ms. Walli:

Re: EB-2016-0025 – Enersource Hydro Mississauga Inc., Horizon Utilities Corporation and PowerStream Inc. – Merger Application

I am a consultant to the Consumers Council of Canada (“Council”). I have been instructed by my client to intervene in the proceeding to consider the Application to the Ontario Energy Board (“OEB”) by Enersource Hydro Mississauga Inc., Horizon Utilities Corporation, and PowerStream Inc. to amalgamate and to purchase the shares of Hydro One Brampton Networks Inc. The Council is a public-interest entity which represents the interests of residential consumers in Ontario. The Board’s order in this proceeding will ultimately impact the rates that residential consumers pay for the delivery of electricity.

On August 18, 2015, the Council filed with the Board, pursuant to Rule 22.03 of the Ontario Energy Board’s Rules of Practice and Procedure, a document describing the Council, its mandate and objectives, membership, the constituency represented, and the types of activities the Council carries out. In addition, we provided a list of the individuals authorized to represent the Council in Board proceedings.

The nature and scope of the Council’s intended participation in the proceeding will be the following:

1. To test the Applicants’ evidence and assess the reasonableness of the proposals set out in the Application;
2. To determine whether the proposals are in the best interests of the Applicants’ residential customers; and
3. To participate in the various stages of the proceeding which may include an interrogatory process, a technical conference, a settlement conference and a written or oral hearing.

The Council intends to ask for an order of costs in this proceeding. The Council has participated in many electricity rate applications over a long period of time. In all of those proceedings the Council has been recognized as being eligible for an award of costs. In the absence of an award of costs the Council would be unable to participate in this proceeding.

Copies of all correspondence related to this proceeding and hard copies of the Applicant’s evidence should be sent to:
