Dear Mr. Lippold:

**Re: Natural Resource Gas Limited  
Annual Penalty Payment  
Post Hearing Reporting  
Board File No. EB-2014-0053 / EB-2014-0361 / EB-2015-0044**

On May 31, 2016, Natural Resource Gas Limited filed a letter advising the Ontario Energy Board (OEB) that it had made its first annual penalty payment to Union in accordance with the OEB's January 14, 2016 Decision and Order in the EB-2014-0053 / EB-2014-0361 / EB-2015-0044 combined proceeding.

The letter states that the amount that was paid to Union is \$253,453 and notes that the amount was paid prior to April 30, 2016 in accordance with the OEB's decision.

On page 28 of the OEB's January 14, 2016 Decision and Order, the OEB specifically established the following reporting requirements related to the annual penalty payment:

Each year, NRG shall file a letter with the OEB (under OEB File No. EB-2014-0053 / EB-2014-0361 / EB-2015-0044) advising: (a) the date that the Annual Payment was made; (b) the amount that was paid (including a detailed calculation for the payment); and (c) the penalty amount remaining to be paid.

On that basis, the OEB requires that NRG file an updated letter that includes a detailed calculation for the payment amount and sets out the remaining penalty amount to be paid. This updated letter shall be filed no later than **June 3, 2016**.

Yours truly,
