**Union Gas Limited**

**Application for disposition and recovery of certain 2015 deferral account balances and approval of the earnings sharing amount.**

**INTERROGATORIES TO UNION GAS LIMITED (Union)**

**From**

**INDUSTRIAL GAS USERS ASSOCIATION (IGUA)**

1. **Reference:** Exhibit A, Tab 3, Appendix A, Schedule 3.

Union provides general service customer bill impacts of its proposal for clearance of variance accounts.

- (a) Please provide customer bill impacts for all of Union's rate classes, including both total bill and delivery rate percentage impacts.

2. **Reference:** Exhibit A, Tab 4, page 6.

In addressing the benefits of the TransCanada Empress to Union SSMDA (5 year) transportation contracts, Union states that Winter STS withdrawals can be pooled away from the Union SSMDA delivery area to meet the needs in other Union North delivery areas.

- (a) Please indicate whether such pooling would still be available in the event that the NEB accepts TransCanada's current application for changes to its STS services.

3. **Reference:** Exhibit A, Tab 5, page 13.

In the table presenting 2015 DSM results, please explain what the “Incremental Projects” line refers to (actual expenditures of \$214,000 in 2015).
